## Men's Night Out

This Saturday at 6:00PM we will be having our Men's Night Out event at JW Steakhouse. Please sign the list in the commons if you plan to be there. We'll have a good time of fellowship and food. We always end up having a lot of fun with these events. I hope you make plans to be there for it!

## Summer Series

Our summer series, Bedtime Stories, is rocking and rolling! I thought Steve Smith did a wonderful job this past week presenting to us a lesson on the Battle of Jericho. This coming Sunday, Barry Binion will be with us! Barry is the preacher at the Savannah Church of Christ in Savannah, TN. He was the associate minister here at Hartselle back in the early 2000s, so I know many are looking forward to seeing him here again. He will be presenting a lesson on the life of Samson. I'm know he will do a wonderful job.

## Family Day

Each year in early August we like to have a church-wide family day. After a summer spent of vacations, busy schedules, and a lot of time away from the congregation for this or that, our Family Day serves as a great event for our entire church family to reconnect. This is for any church member from ages 0-100+. Mark your calendars for August 10th 11:00am. Details are still in the works, but know that this will be a great time together with a lot of fun built in.

## Bible Reading Weekend

This is something I am very much looking forward to on August 21st-24th. During these dates the Hartselle Church of Christ will be collectively reading all the Bible, from Genesis to Revelation. The plan is for the word of God to be read aloud throughout the church building and grounds during these dates. We will immerse this physical space with the word of God. It will be designed in a way where reading can be done by individuals or groups. No one person will be able to read or hear the entirety of scripture in that weekend, but as a collective whole we will accomplish this task. We'll have more instruction and logistics when this date gets a little closer, but I hope this is something you too can get excited about.
