Introducing A Congregational Evangelism Seminar

Written by Rob L. Whitacre

We are thankful to announce that you have been enrolled into the School of Evangelism! This will provide your congregation with a total of 12 months of preparation, promotion, training, and support. Our goal is to transform the culture within congregations to be focused on local evangelism and church growth. "Go Ye" means "Go All." The word, "ye" is plural and thus requires the mobilization of every Christian in the local congregation to reach the lost in your community.

There was a time in our not so distant past when these types of seminars were being held nationwide. Christians carried film strips in the back of their trunks and went house to house teaching anyone who would listen to the Gospel. Now most of our training is inwardly focused and geared towards keeping the saved, saved. We are at a crisis stage for churches of Christ in America, but it is not too late.

What is an evangelism seminar? It is an effort to train the saved to teach the lost. We will spend time equipping Christians with a soul winning strategy. We will relay stories of real people who are coming to know their Savior and provide you the simple principles used to get them into a Bible study and help them obey the Gospel. We will spend time with elders and preachers and help them develop a winning strategy.

What can you do? First, please attend every session as each builds upon the other. Second, come ready to learn with Bible in hand, and ready to take notes. This is not just a lecture. It will be both principle and practice. Third, please be praying about souls to save. Since this focuses on training Christians how to reach the lost, it is not recommended that you invite your non-Christian friends and family. After being trained, you will have plenty of opportunity and a working method to reach them.

This seminar is having a great affect upon congregations. Hundreds of souls have been saved in just the past year, and if we all work together, and follow the Great Evangelist (Jesus), many more souls will be saved. The Lord is depending upon you for this evangelistic effort to be successful. The Gospel is not a passive process. It is an active process that will work when we are willing to work it.
